

Plot at the end of Lister Row,  
Hodster Lane  
Great Houghton  
S72 0AY

Drawing number Dn008

### Flood map

The site is not within a flood plain or in an area of extreme flood

According to the Environment Agency, reservoir flooding is extremely unlikely to happen, but, parts of Lister Row are prone to surface water flooding in heavy rain, and, to a lesser degree the site itself, but flood alleviation works have taken place in the area to help reduce this significantly.
