Good Morning,

I made comment with regard to 2021/1090 in October 2021, these were mainly with regard to Secured By Design elements of the dwellings and commercial buildings, which I believe was at that time the primary function of the District DOCO, this request is still a consideration from myself.  
Since that time a development such as this would possibly require a more thorough Crime Impact Statement (CIS) in a similar manner to the ones produced by other colleagues from neighbouring Police Services.

Kind Regards.
