Dear Jessica,

**Discharge Of Planning Condition 7 Pursuant to Planning Permission ref: 2024/1062 for the Installation of three sculptures with lighting and acoustic features within proposed public open space at the Lower Car Park, The Seam, County Way, Barnsley.**

nineteen47 are instructed on behalf of Barnsley Metropolitan Borough Council to submit the aforementioned discharge of conditions application pursuant to Planning Permission ref: 2024/1062, which was granted at planning committee on 8<sup>th</sup> April 2025.

A summary of the information that is being submitted as part of this discharge of condition application is provided below.

### Condition 7

*Prior to the commencement of development, details of lighting scheme/displays shall be submitted to and approved in writing by the Local Planning Authority. The lighting scheme/displays shall be reviewed a suitably qualified ecologist to demonstrate that lighting will not adversely impact wildlife using key corridors, foraging and commuting features and roosting sites. The details shall include, but are not limited to, the following:*

- a. Identification of areas/features on site that are particularly sensitive e.g. breeding, resting, foraging and commuting sites;*
- b. A drawing showing dark corridors and buffer areas;*
- c. A report and drawings showing how and where lighting will be installed so that it can be clearly demonstrated that areas to be lit will not disturb or prevent species using their territory or having access to breeding sites/resting places, this should include:
  - i. Technical descriptions, design or specification of lighting to be installed including shields, cowls or blinds where appropriate;*
  - ii. A description of the luminosity of lights and their light colour;*
  - iii. A plan showing the location and where appropriate the elevation and height of the light fixings;*
  - iv. Methods to control lighting control (e.g. timer operation, Passive Infrared Sensors (PIR));**
- and*
- v. Lighting contour plans, both horizontal and vertical where appropriate, taking into account hard and soft landscaping.*

*The lighting display shall operate in accordance with the specifications set out in the approved details for the lifetime of the development.*

The following information has been provided to discharge condition 7:

- 24103 Lighting Plan - Sculptures v2

The above information is considered to be acceptable to protect ecological species and habitats in accordance with Local Plan Policy BIO1: Biodiversity and Geodiversity.

I trust the submitted information is satisfactory however please do not hesitate to get in touch should you require further information.
