

15TH July 2015

Construction Method Statement

Description: Erection of modular classroom extension to primary school.

Location: Summer Lane Primary School, Summer Lane, Barnsley, S75 2BB

Condition 4

- A. Parking will be limited to the Contractor's Compound and within the school grounds as agreed with the client.
- B. As noted on the Site Setup Drawing OPSS-SL1 access for construction traffic will be via the main entrance off Pogmoor Road. The other entrance off Pogmoor Road will be signed to ensure construction deliveries use the top gate.
- C. All loading and unloading of all plant and materials will be done inside the contractor's compound.
- D. Some materials will be stored in a steel lock up container within the compound and will be stacked and stored in a safe manner.
- E. All cart away materials shall be loaded on site while the vehicles are parked on clean hard stand, thus no debris/mud carried out onto the highway.
- F. No vehicular movement or site deliveries of any kind shall take place on or around the School site during the following times, on days when the school is in use:
 - 08:30 - 09:10
 - 10:30 - 10:45
 - 12:00 - 13:15
 - 14:15 - 14:30
 - 15:30 - 16:15

Material deliveries must be completed before 8:00 or after 16:00 on school days unless by prior arrangement with the CA / Headteacher.

Condition 5

The working hours will be 07:30 to 16:00 Monday to Friday, but machinery shall not start up until 08:00 a.m. and occasional Saturday mornings from 09:00 to 1.00 p.m. by arrangement.

Regards
Laura Worthington
