For the attention Mr James Hyde.

Dear James

**Re; Land to side of existing Dwelling, Wellfield Road, Barnsley. S75 2AL**

Thanks for your E – Mail last week and your sympathy with my recent situation. In regards to your request to provide a turning facility within the site I have now amended the site layout to incorporate a reversing facility across onto the existing driveway which will allow the emerging traffic to exit the site in forward gear . Trusting this meets with your approval.

Yours sincerely
