5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Project Description

The project consists in reconfiguration of the existing property with the intent of creating two flats of a high standard, each comprised of 2 bedrooms and 3 reception rooms. A new access to the garden will be created on the ground floor to restore the connection with the green space. The ground floor commercial unit will be converted into an additional residential space. Living areas will be optimised with the inclusion of 3 extensions: one on the ground floor and 2 on the first floor.

Existing Conditions

The building has been empty for a long period of time and is starting to present significant signs of decay. Its position away from the main commercial road

5. Description of the Proposal

makes the building unsuitable to accommodate a commercial unit. This is demonstrated by the prolonged vacancy of the retail space on the ground floor.

Development Vision

The vision of this development is to set a precedent in the area for desirable dwellings finished to a high standard and reputable quality to attract matching tenants and thus facilitate social improvement in the area."

Garden / Waste Management / Parking

The size of the garden allows the creation of 2 private parking spaces and an area for the the bins, keeping at the same time a generous garden area of 72sqm.

Has the work or change of use already started?

Yes No

6. Existing Use

Please describe the current use of the site

The property has been vacant for many years. The layout is currently set up to accommodate a commercial unit at the ground floor and 2 flats, one at the first floor and one at the ground floor.

Is the site currently vacant?

Yes No

If Yes, please describe the last use of the site
