Morning Bradley,

We are unable to provide any links to both the roofing and the render materials as we are unsure who this will be at present so we are unable to know what merchants etc. they will be using however, we were intending to use the following items :-

- i) Roofing – black coloured artificial slate effect tiles and
- ii) Render – 15 / 20mm sand and cement render with “off white” colour masonry paint or “one coat colour” render by specialist – again off white colour.

We hope that the above is now to your satisfaction.

Regards

Garry

Subject: 2024/0012 - 8 Allendale Road

Good morning Garry,

After reviewing the proposals and visiting the site yesterday, I have no issue with principle of the development. However, I would ask for further clarification and detail regarding external materials. Are you able to provide example images or links for the roofing materials and the colour of the render?

Kind regards,

Bradley Sargeson
