

Apollo Cycle Shelter

Features:

All pre-designed shelters.

PETg or polycarbonate for impact resistance and discolouration.

On all defects as a result of workmanship, material selection and finish (wear and tear, vandalism and abuse excluded).

Hot-dip galvanised components increase life expectancy up to 85 years plus.

We deliver and install our canopies nationally. All canopies are engineered to suit any UK location.

Choose from our standard range of RAL and BS colours.
