

PLANNING CONSULTATION RESPONSE

Application No	2025/1065
Proposal	Erection of store, erection of enclosure for external pipework, erection of aggregate wash plant and associated infrastructure; laying of concrete slab, installation of vertical tanks (retrospective), proposed construction, relocation and increase in height of boundary treatment, proposed erection of filter presses, for use in association with the existing treatment and management of non-hazardous waste.
Address	West Green Recycling, West Green Way, Monk Bretton, Barnsley.
Date of Consultation Reply	19/02/2026
Consultee	Edward Jowett (Tree Officer)

Consultation Assessment and Justification

The arboricultural information provided with this application clearly demonstrates that the existing trees on the site will not be significantly impacted upon by the proposed works and as such there is no grounds for any objection from an arboricultural perspective.

The arboricultural impact assessment does note that there will be works in close proximity to some trees and as such the protection measures for these trees will need to be dealt with as part of an arboricultural method statement.

NO OBJECTION*

*Delete as applicable

Consultation Suggested Conditions:

No development or other operations being undertaken on site shall take place until the following documents in accordance with British Standard 5837:2012 Trees in relation to design, demolition and construction - Recommendations have been submitted to and approved in writing by the Local Planning Authority:

Tree protective barrier details
Tree protection plan
Arboricultural method statement

No development or other operations shall take place except in complete accordance with the approved methodologies.

Reason: To ensure the continued well being of the trees in the interests of the amenity of the locality.
