Dear Alexandra,

Following on from our email conversations I enclosed the following information:-

Forms for the building
Plans to demonstrate where the building is
Photo's that your department took
Confirmation email detailing payment of £150.

I have struggled with this and I am still not convinced I have everything done correctly. I am sending the notice to Graham Webb on Monday 22nd June recorded delivery, this is to ensure it can be seen he receives it. As a result this means that you will have this information well before I should send it to you, I am just conscious of the time it has taken me to get this sorted.

If you feel there is anything else that I need to do please let me know and I will get it sorted for you.

Kind Regards
