DESIGN ACCESS STATEMENT
ROYSTON PARKSIDE PRIMARY SCHOOL
2322/13-16

Summary

The design intention is to provide an improved pathway arrangement to replace the existing path which has rather steep steps and is in a poor state of repair.

Use of Buildings

The site has a long history of school use and the new facilities will provide an imporved access arrangement to the school, allowing wheelchair users to easily access the school from Midland Road.

Access

Access to the building is from Midland Road.

Design scale and appearance

Design thinking in respect of the pathway follows existing appearance with some improvements to gradients and steps.

The use of matching brickwork enhances the design.

Layout

Is as existing but with minor improvements.

Landscaping

Landscaping provision is not indicated on the drawings as the existing area affected had little provision of this type. Some isolated planting will be carried out when funds allow.
