

Architectural elevation drawing of a building facade. The drawing includes the following labels:

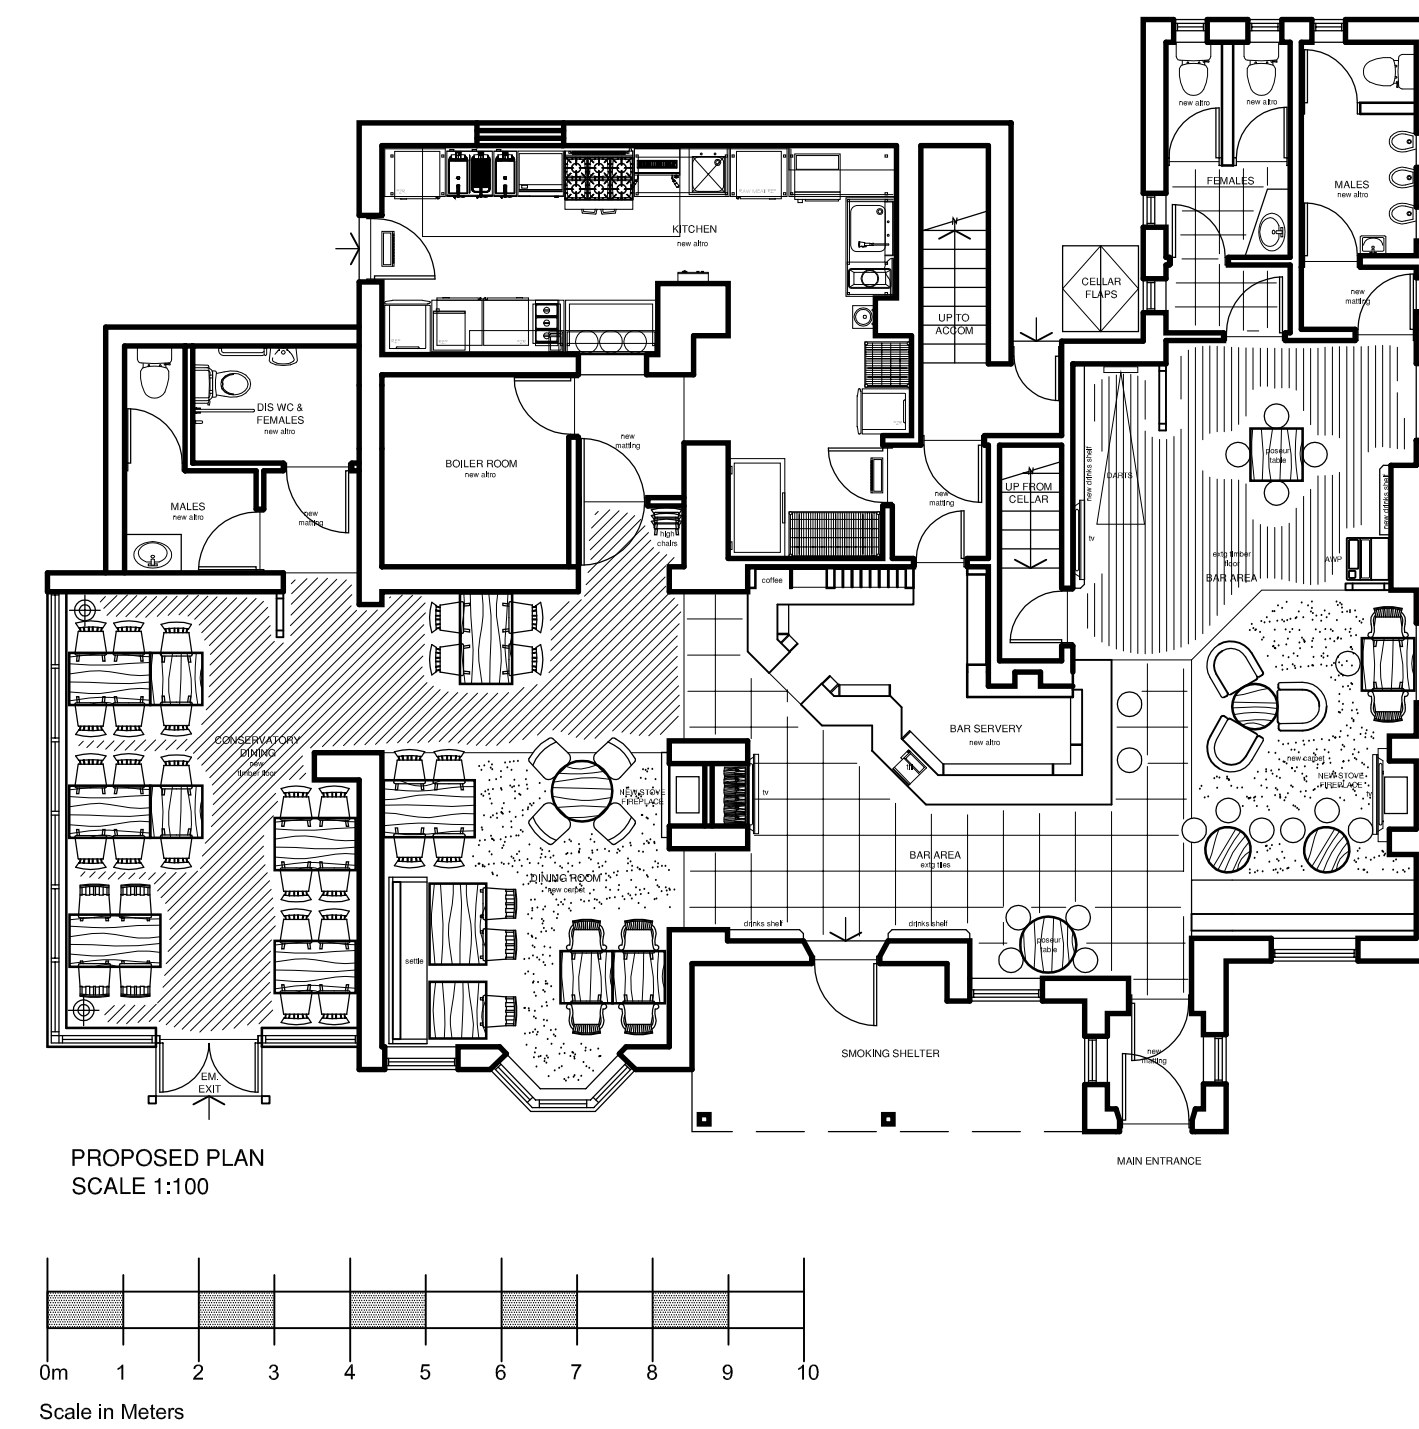

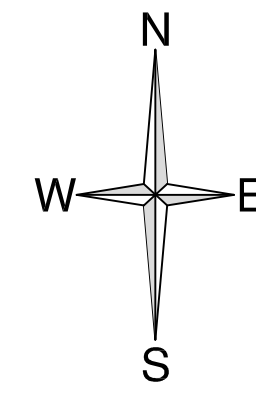

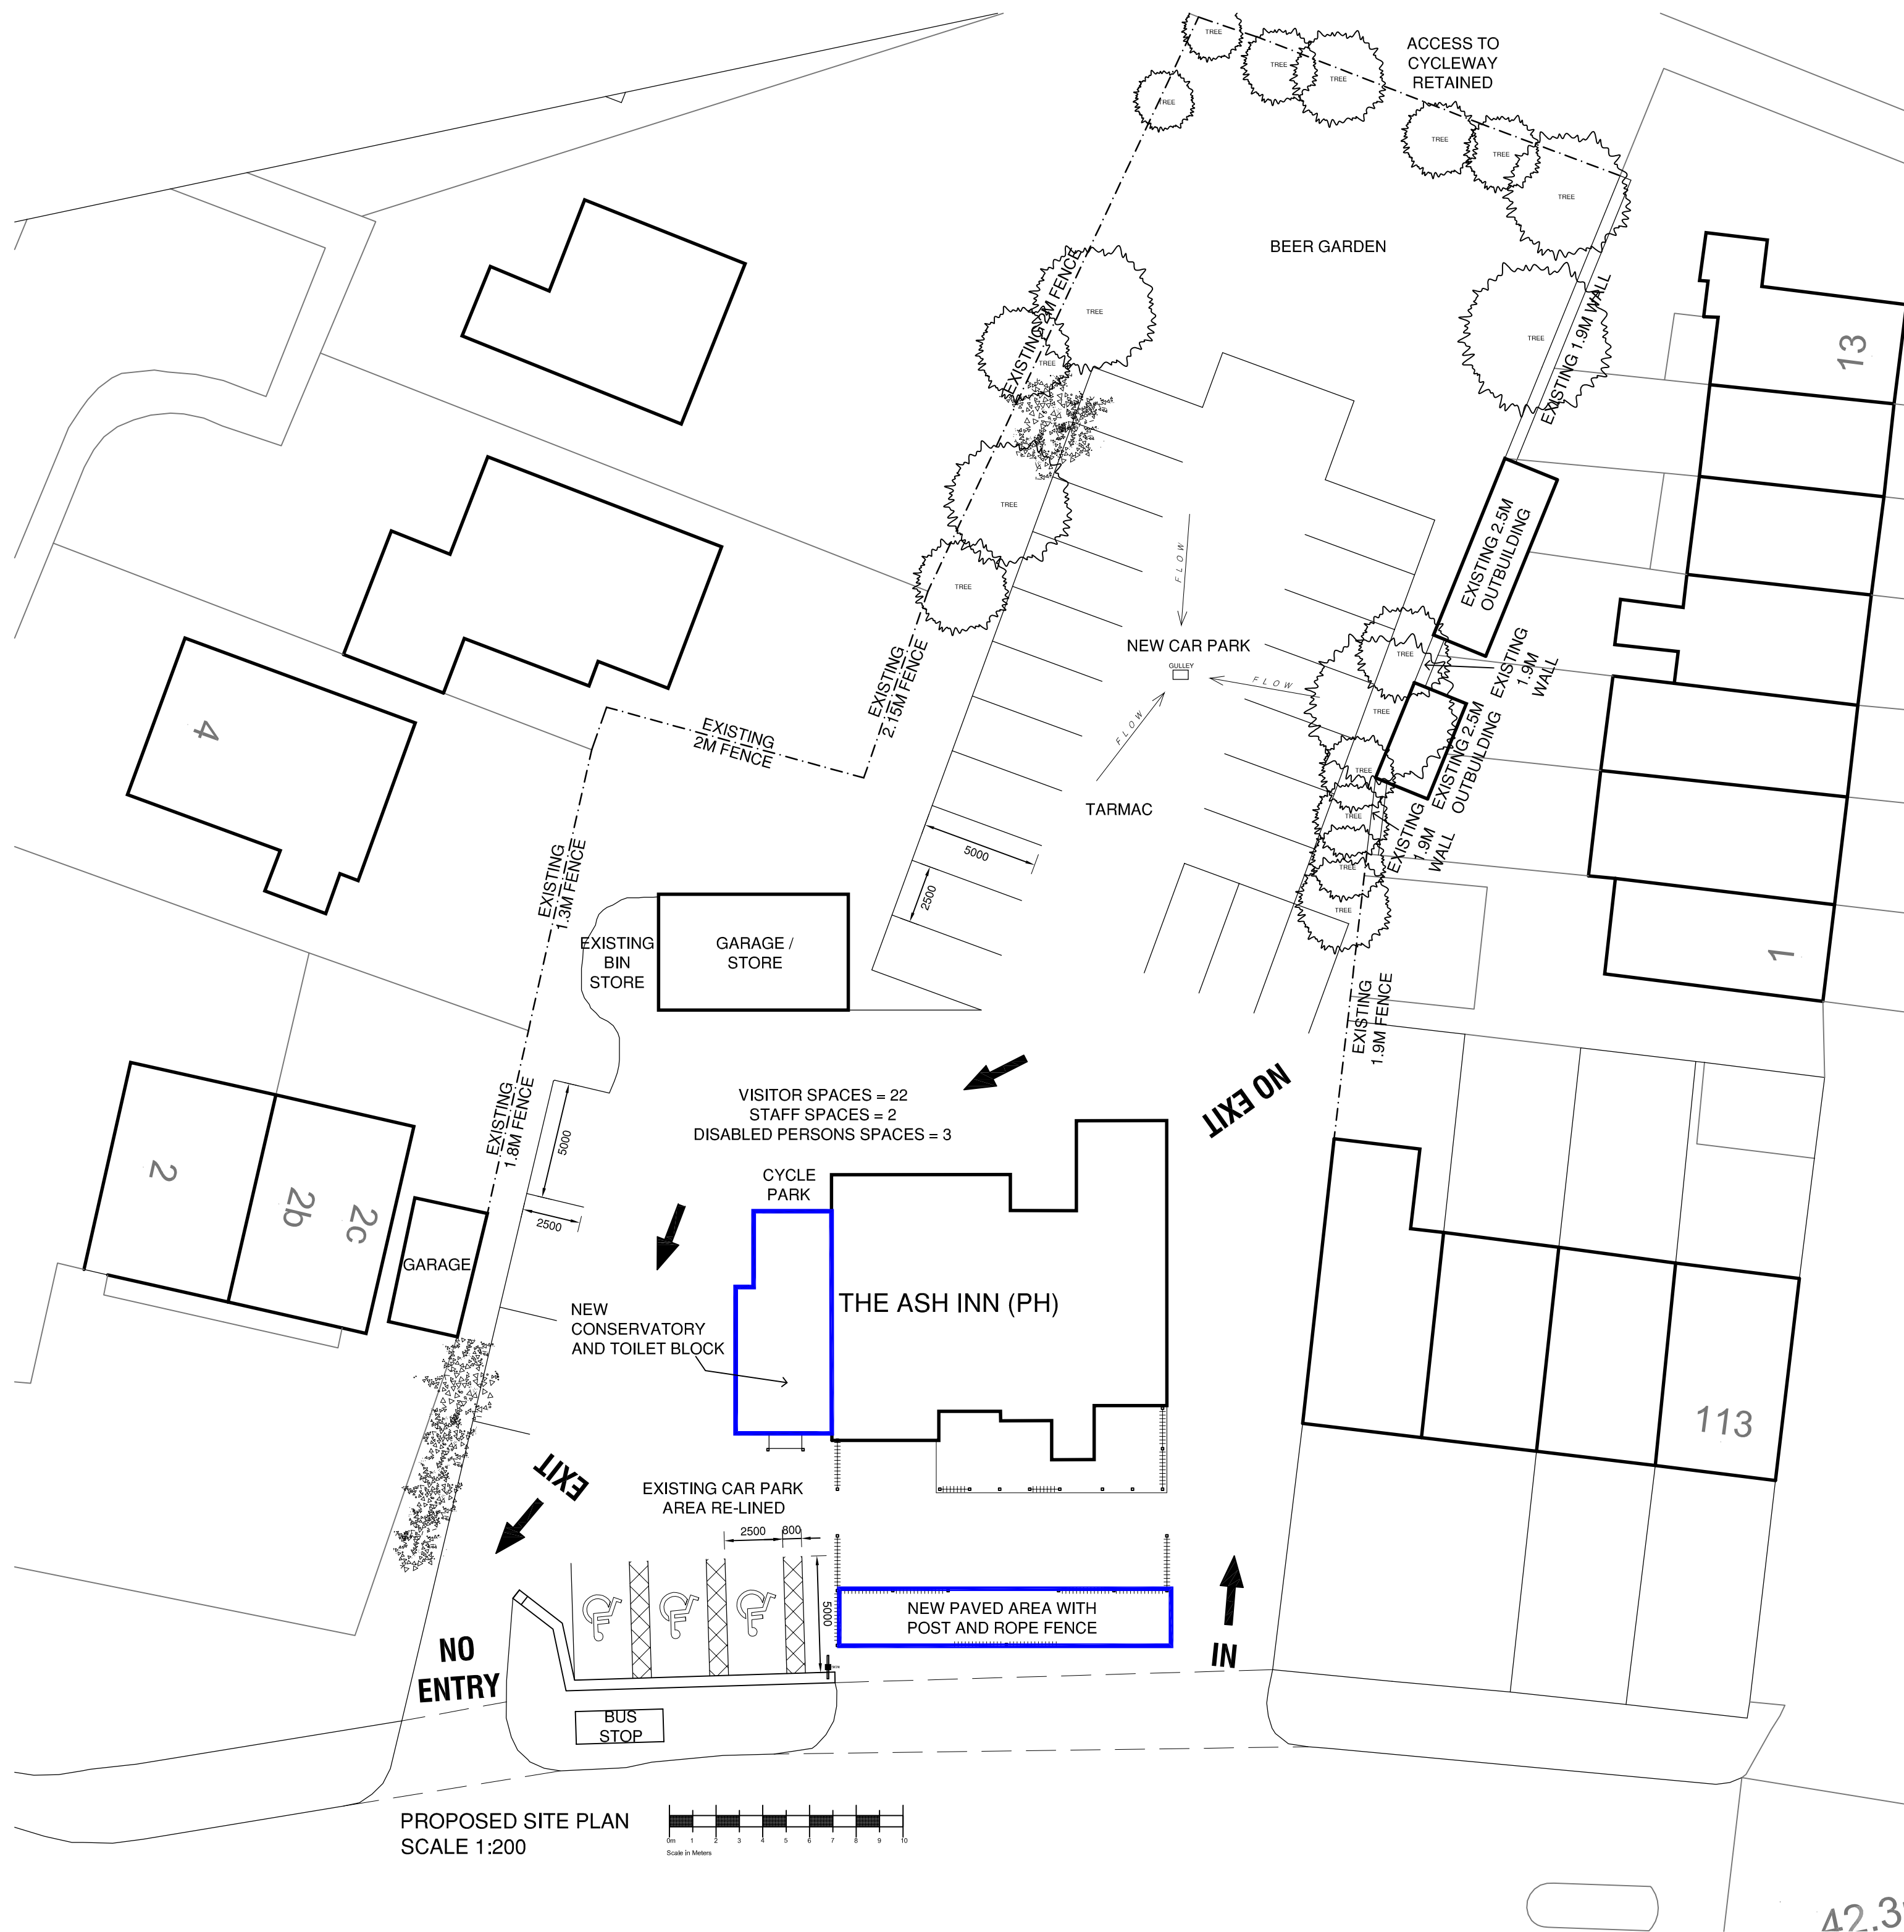

- CONCRETE TILES (pointing to the roofline)
- SIGN (pointing to a large blank area on the wall)
- STONE (pointing to the main wall surface)

Architectural elevation drawing of a three-story house. The drawing includes the following labels and features:

- PAINTED RENDER**: Located on the roof of the new extension and on the side wall of the main house.
- STONE**: Labeled on the main house's facade, specifically on the side wall and the new extension's base.
- CONCRETE TILES**: Labeled on the main house's roof.
- SIGN**: A large sign is mounted on the side wall of the main house.
- PAINTED TIMBER CONSERVATORY**: A label pointing to the new extension's roof structure.
- 4000mm - NEW EXTENSION**: A dimension line at the bottom indicates the width of the new extension.

Architectural elevation drawing of a building facade. The drawing shows a two-story structure with a chimney on the roof. The left side features a stone wall with a small window and a door. The right side has a section with concrete tiles, a stone wall, and a painted render section. A sign is mounted on the painted render section. Below the main structure is a painted timber conservatory. The drawing is labeled with materials: STONE, CONCRETE TILES, PAINTED RENDER, and PAINTED TIMBER CONSERVATORY. A dimension line at the bottom indicates a width of 9500mm, NEW EXTENSION.
