

Application for Planning Permission.
Town and Country Planning Act 1990

Publication of applications on planning authority websites.

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

1. Applicant Name, Address and Contact Details

Title: First Name: Surname:

Company name:

Street address:

Town/City:

Country:

Postcode:

Telephone number:

Mobile number:

Fax number:

Email address:

Are you an agent acting on behalf of the applicant? Yes No

2. Agent Name, Address and Contact Details

No Agent details were submitted for this application

3. Description of the Proposal

Please describe the proposed development including any change of use:

Retention of the current temporary structure (application number 2010/0617).
The current structure is a 'Jack Leg' temporary building housing toilet facilities with access balcony and disable ramp for the use of visitors to Worsbrough Mill Museum and Country Park on land adjacent to the main office/shop and rangers accommodation complex. Supply of all mains services (excluding gas) with sewage and foul water waste out into existing Klargester cesspit tank.

Has the building, work or change of use already started? Yes No
If Yes, please state the date when the building, work, or use started:

Has the building, work or change of use been completed? Yes No
If Yes, please state the date when the building, work, or change of use was completed:

4. Site Address Details

Full postal address of the site (including full postcode where available)

Description:

House: Suffix:

House name:

Street address:

Town/City:

Postcode:

Description of location or a grid reference
(must be completed if postcode is not known):

Easting:

Northing:

5. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application? Yes No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title: First name: Surname:

Reference:

Date (DD/MM/YYYY): (Must be pre-application submission)

Details of the pre-application advice received:

6. Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicle access proposed to or from the public highway? Yes No

Is a new or altered pedestrian access proposed to or from the public highway? Yes No

Are there any new public roads to be provided within the site? Yes No

Are there any new public rights of way to be provided within or adjacent to the site? Yes No

Do the proposals require any diversions/extinguishments and/or creation of rights of way? Yes No

7. Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste? Yes No

Have arrangements been made for the separate storage and collection of recyclable waste? Yes No

8. Authority Employee/Member

With respect to the Authority, I am:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

Do any of these statements apply to you?

Yes No

If Yes, please provide details of the name, relationship and role:

Visitor Services Manager, Culture and Visitor Economy, Barnsley Museums, Barnsley Metropolitan Borough Council

9. Materials

Please state what materials (including type, colour and name) are to be used externally (if applicable):

Boundary Treatments - description:

Description of *existing* materials and finishes:

1.8metre high paladin fencing galvanised and power coated in green. All posts set in deep concrete with matching 900mm wide personnel gate to the same specification .

Description of *proposed* materials and finishes:

retain the existing.

Doors - description:

Description of *existing* materials and finishes:

Steel faced doors with insulating core. Anodised aluminium frames and draught proof weather seals, cylindrical mortise lock wit interior escape override, DDA compliant low level threshold to improve access

Description of *proposed* materials and finishes:

retain the existing

Lighting - description:

Description of *existing* materials and finishes:

Electrical load, single phase 230v/25 amps. 2kw high level heater. Ceiling mounted pull switch one ay, 12 fluorescent ceiling lights (2d fluorescent) tubular heaters with guards 8642mm x 3266mm

Description of *proposed* materials and finishes:

Retention of existing structure

Roof - description:

Description of *existing* materials and finishes:

Roof deck is made of a one-piece construction, impact resistant profiled galvanised steel, plasticol coated and solar reflective. Internal designed to prevent condensation problems and covered in polyester steel for low maintenance. Design load 0.75kN/m2

Description of *proposed* materials and finishes:

retain the existing

Vehicle Access - description:

Description of *existing* materials and finishes:

Foundation is 9metre x 4 metre x 760mm deep with block work to ground level filled with clean hardcore. Strip foundation approximately 600cm x 300cm, A142 reinforcing mesh in 225mm thick concrete with 7 newton/230mm concrete block retaining wall.

Description of *proposed* materials and finishes:

Retain the existing

Walls - description:

Description of *existing* materials and finishes:

Durable one-piece construction of Plastic coated galvanised steel cladding offering protection against fire, extreme weather and accidental damage. Internal walls are of a polyester coated galvanised steel, impact resistant and wipe clean finish.

Description of *proposed* materials and finishes:

Retention of existing

Windows - description:

Description of *existing* materials and finishes:

square corner aluminium frames with polyester powder coated finish and are fully tinted, double-glazed with a thermal break to prevent condensation.

Description of *proposed* materials and finishes:

retention of existng

OTHER - description:

Type of other material:

Floor

9. Materials

Description of *existing* materials and finishes:

A rigid galvanised steel frame and an aluminium-zinc coated steel sheet under draw with thermal insulation above the under drawing and hard wearing non-slip vinyl upper surface. A suspended floor completely integrated into the structure of the building. Design load 3.00kN/m2

Description of *proposed* materials and finishes:

Retention of existing structure.

Are you supplying additional information on submitted plan(s)/drawing(s)/design and access statement?

Yes No

If Yes, please state references for the plan(s)/drawing(s)/design and access statement:

Plans Ref No:01 /Drawings Ref No: PI082

10. Vehicle Parking

No Vehicle Parking details were submitted for this application

11. Foul Sewage

Please state how foul sewage is to be disposed of:

Mains sewer Package treatment plant Unknown
Septic tank Cess pit Other

Are you proposing to connect to the existing drainage system?

Yes No Unknown

If Yes, please include the details of the existing system on the application drawings and state references for the plan(s)/drawing(s):

Refr No:01

12. Assessment of Flood Risk

Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority requirements for information as necessary.)

Yes No

If Yes, you will need to submit an appropriate flood risk assessment to consider the risk to the proposed site.

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?

Yes No

Will the proposal increase the flood risk elsewhere?

Yes No

How will surface water be disposed of?

Sustainable drainage system Main sewer Pond/lake
 Soakaway Existing watercourse

13. Biodiversity and Geological Conservation

To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.

Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:

a) Protected and priority species

Yes, on the development site Yes, on land adjacent to or near the proposed development No

b) Designated sites, important habitats or other biodiversity features

13. Biodiversity and Geological Conservation

- Yes, on the development site
 Yes, on land adjacent to or near the proposed development
 No

c) Features of geological conservation importance

- Yes, on the development site
 Yes, on land adjacent to or near the proposed development
 No

14. Existing Use

Please describe the current use of the site:

The current use of the site is as a toilet facility for staff and visitors to Worsbrough Mill and Country park.

Is the site currently vacant? Yes No

Does the proposal involve any of the following?

If yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated? Yes No

Land where contamination is suspected for all or part of the site? Yes No

A proposed use that would be particularly vulnerable to the presence of contamination? Yes No

15. Trees and Hedges

Are there trees or hedges on the proposed development site? Yes No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? Yes No

If Yes to either or both of the above, you may need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

16. Trade Effluent

Does the proposal involve the need to dispose of trade effluents or waste? Yes No

17. Residential Units

Does your proposal include the gain or loss of residential units? Yes No

Market Housing - Proposed					
	Number of bedrooms

18. All Types of Development: Non-residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

Yes No

19. Employment

No Employment details were submitted for this application

20. Hours of Opening

If known, please state the hours of opening (e.g. 15:30) for each non-residential use proposed:

20. Hours of Opening

Use	Monday to Friday		Saturday		Sunday and Bank Holidays		Not Known
	Start Time	End Time	Start Time	End Time	Start Time	End Time	
D2	10:00:00	17:00:00	10:00:00	17:00:00	10:00:00	17:00:00	<input type="checkbox"/>

21. Site Area

What is the site area?

22. Industrial or Commercial Processes and Machinery

Please describe the activities and processes which would be carried out on the site and the end products including plant, ventilation or air conditioning. Please include the type of machinery which may be installed on site:

Is the proposal for a waste management development? Yes No

If this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authority should make clear what information it requires on its website.

23. Hazardous Substances

Is any hazardous waste involved in the proposal? Yes No

A. Toxic substances

Amount held on site

Tonne(s)

B. Highly reactive/explosive substances

Amount held on site

Tonne(s)

C. Flammable substances (unless specifically named in parts A and B)

Amount held on site

Tonne(s)

24. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land? Yes No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)

The agent The applicant Other person

25. Certificates (Certificate A)

Certificate of Ownership - Certificate A Town and Country Planning (Development Management Procedure) (England) Order 2015 Certificate under Article 14

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner (*owner is a person with a freehold interest or leasehold interest with at least 7 years left to run*) of any part of the land to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding (*"agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act*).

Title: First name: Surname:

Person role: Declaration date: Declaration made

26. Declaration

I/we hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional information. I/we confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.
