Dear Madam,

Re: Minor Modifications to Proposed New Build Dwelling.

At: Plot 3, "The Old Smithy", 64 Hoyland Road, Hoyland Common, Barnsley.

For: Mr. & Mrs. A. Turner.

Approval No: 2008 / 0653. Approval Date: 12th. June 2008.

Further your recent telephone conversation with our mutual clients; please find attached information as listed below being client alterations to the above project for which we require your written acceptance.

The alterations are simply the introduction of an additional 1.00m wide window to the first floor front elevation and re-location of the existing window (to match up with ground floor windows), and as you can see, this would not be a detrimental alteration to the front elevation.

As these alterations do not increase the original proposals, we believe you may be able to treat the attached as a minor modification to the original approval.

Information attached as listed below;

Type A Dwelling.

Dwg. No: 670-03 rev.C

2 copies.

We hope the information attached is to your satisfaction and that you will look favourable on our request, however if you require any further information or clarification, please do not hesitate to contact the writer at the address given.

Yours faithfully,

Garry G. Greetham.
