

PLANNING CONSULTATION RESPONSE

Application No	2026/0776
Proposal	Advertisement Consent to display 2no. fascia signs and 2no. projecting signs.
Address	7 The Glass Works, Barnsley, S70 1GW
Date of Consultation Reply	14/10/26
Consultee	Highways DC

Consultation Assessment and Justification

The proposal would introduce four signs, two of which would oversail public highway land, on an existing shop front in the pedestrianised centre of Barnsley.

Given the scheme would replace one set of signs with another, Highways DC officers would have no wish to raise objection to the scheme but would ask that a construction method statement is provided given the constraints on vehicles accessing the site location.

NO OBJECTION

Consultation Suggested Conditions:

No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to, and approved in writing by, the Local Planning Authority. The statement shall include but not be restricted to:

- i. Site working hours and delivery hours which should avoid peak hours
- ii. The parking of vehicles of site operatives and visitors
- iii. Any temporary access to the site
- iv. Loading and unloading of plant and materials
- v. Storage of plant and materials used in constructing the development
- vi. Arrangements to receive abnormal loads or unusually large vehicles
- vii. Methods of communicating the Construction Management Plan to the workforce, visitors and neighbouring residents and businesses

Consultation Informative(s):

None

Planning Obligations required:

None
