

REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2020/0689

To Shaun Jennings
1 Allendale Drive
Hoyland
Barnsley
S74 9DS

Proposal Erection of detached two storey dwelling and associated works including integral garage for 3no vehicles

At 1 Allendale Drive, Hoyland, Barnsley, S74 9DS

Permission is **refused** for the proposals which were the subject of the Application and Plans registered by the Council on 29/07/2020 and described above.

The reasons for the Council's decision to refuse planning permission are:

1. In the opinion of the Local Planning Authority the proposed development detrimentally affects a combined public sewer without capacity within the site to re-orient the development in a satisfactory manner contrary to Local Plan Policy UT2 - Utilities Safeguarding.
2. In the opinion of the Local Planning Authority the proposed dwelling would be materially detrimental to the amenities of 28 Allendale Road by reason of its overshadowing and overbearing impact upon the neighbouring dwelling's curtilage due to the development's excessive height in proximity to the shared boundary contrary to the SPD Design of Housing Development and Local Plan Policy GD1 - General Development.
3. In the opinion of the Local Planning Authority, the proposed development would be contrary to National Planning Policy paragraph 127 (b), Local Plan Policy D1 - High Quality Design and Placemaking as well as the SPD Design of Housing Development as its design and appearance fails to draw upon the positive elements within the streetscene and by consequence would detract from the visual amenity of the area through its incongruous and bland appearance.

4. The proposed development is sited in proximity to a mature tree without the support of an impact assessment or protection plan that could mitigate harm to that tree. Without such details the Local Planning Authority cannot make an informed decision on the impact of the application and consider the proposal detrimental to the visual amenities of the locality contrary to Local Plan Policies D1 - High Quality Design and Placemaking as well as BIO1 - Biodiversity and Geodiversity.
5. The proposal does not conform with other Local Plan Policies, notably UT2, GD1, D1 or BIO1 and by consequence does not benefit from Local Plan Policy H4 for residential development on non-allocated sites and is refused permission on these grounds.

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and*
- up to six months imprisonment on conviction.*

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of the approved development is disposed of via approved methods and that documents are retained to prove this.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate> If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
