5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Planning application to site a 40 foot shipping container at Cudworth Fire Station, Tumbling Lane, Barnsley.

The shipping container is to be used as storage by The Princess Trust and the fire cadets whilst their existing facilities at Barnsley Fire Station are being rebuilt. We would like to drop the container on site as soon as possible and envisage that it will be on site until September 2021 when the two organisations will be relocated back to Barnsley Fire Station.

We have an existing cabin on site that is used by the fire cadets and we would like to site the proposed cabin next to this so that it is easily accessible from the main station building. We have not sourced the container as yet but we will try and get one that matches the existing cabins colour.

Has the work or change of use already started?
☐ Yes ☒ No

6. Existing Use

Please describe the current use of the site

Fire station with training tower, community room and fire cadets cabin.

Is the site currently vacant?
