F.A.O Graham Northern

Following our telephone conversation Mon 2nd March I have forward a revised proposed elevation plan to show that the finished height to be 3150mm. I hope this will be acceptable

kind regards.

I agree to extend the period in which the decision may be given.

proposed finish.

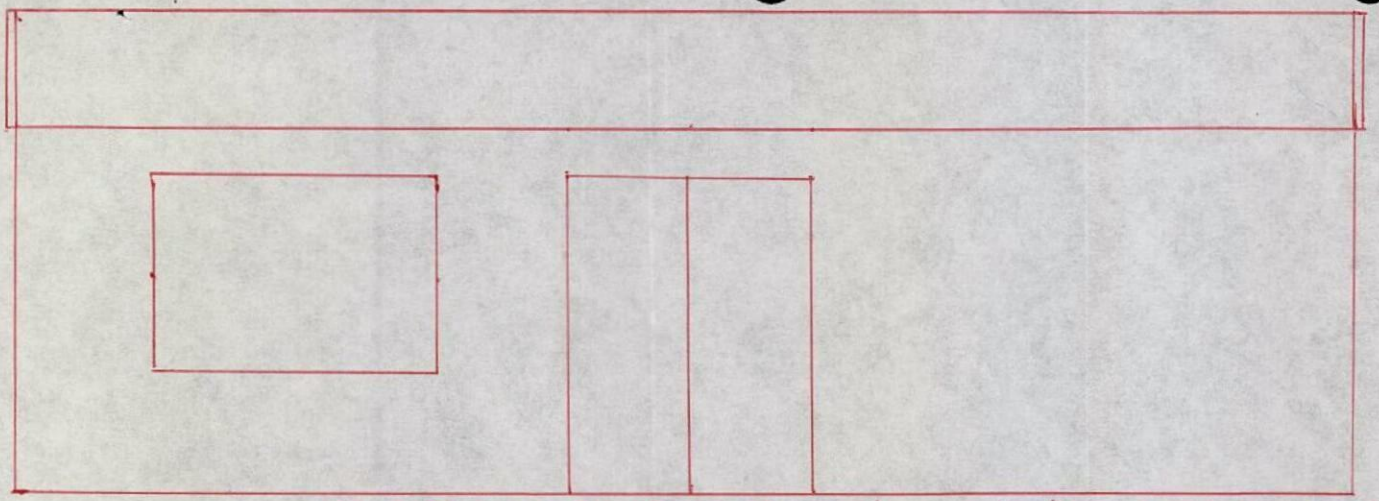

Roof: Marley mendip tile to match house

Faxia/soffit: white upvc

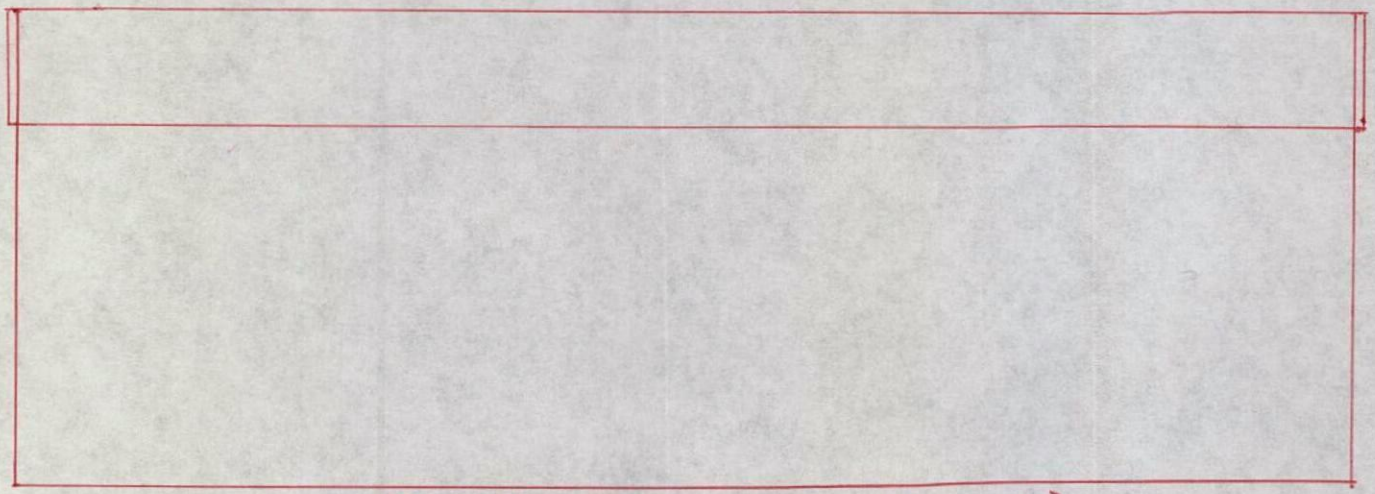

Door/window: white upvc

rear/2 sides: suitable render

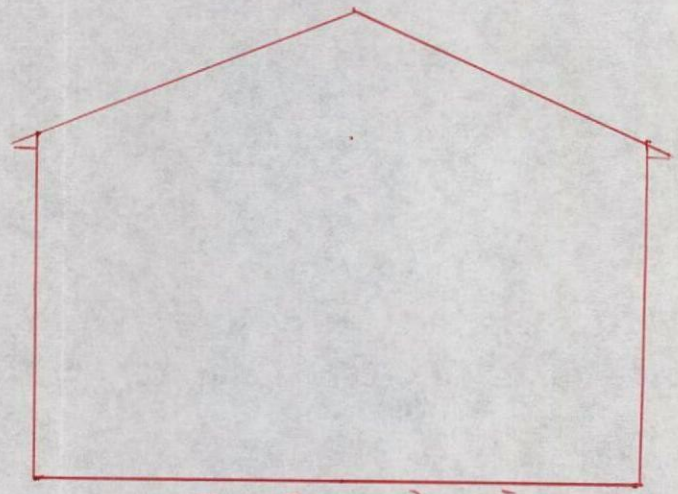

front: Brick effect render

proposed front elevation scale 1:50

proposed rear elevation
scale 1:50

proposed side elevation
