To whom it may concern,

Re. Rear extension to No. 5, Ashleigh, Brierley, Nr. Barnsley.

Further to recent planning approval for a full width rear extension to the above dwelling, my client now wishes to retain the use of the rear bedroom, which has resulted in a reduction of the extension width to allow natural ventilation of the bedroom to the outside air by the provision of a new window at the existing rear wall. Since the revised proposal is "less than" that approved, we would enquire whether this can be treated as a minor revision to the approval. Two copies of drawing no. LS/B/1/D are enclosed for your information and consideration.

Yours faithfully,

B. D. Tinsley.
