

Approval of Artwork:

All artwork proofs are representative of the final article and will be produced as-is once approval is granted. Although we do our best to ensure there are no errors, please check all artwork proofs thoroughly and notify us of any changes **before** approval as we cannot be held responsible for errors once approval is granted.

Colours:

Please note that colours are not always represented accurately on screen. If you wish to view colours in person (either on a print test or a swatch) you may request to do so. Unfortunately this service will not be available on certain third-party supplied products.
