Dear Alex

**Re: Proposed Construction of Apartment Block
& Ancillary Works, off Oakwell Lane, Barnsley.**
Planning Application Number 2008/0913

I am writing to you in connection with the above-mentioned proposal.

We have been appointed along with Garry Greetham Associates to submit a detailed planning report in support of the above-mentioned proposal. You have already had a meeting with Garry Greetham, when a number of points were discussed and amendments requested. I can confirm that the originally submitted plans have now been amended and copies of the amended plans are now attached. The revised plan numbers are as follows: Site plan and location plan 646-01 Rev E; elevations and layout plans – 646-33 Rev B and third floor layout plans – 646-38. These plans should be read alongside our supporting planning report which will be submitted to you in the next few days.

I trust that the attached plans are sufficient for your purposes and are also to your satisfaction. However, if there are any issues that you think need to be resolved before your formal recommendation is made then please do not hesitate to contact Garry Greetham.

Yours sincerely

Simon M Elliott – Dip URP

Director
