

DESIGN & ACCESS STATEMENT

Proposed three bay storage building at Kirkwood Mill, Sheffield Road, Penistone, S36 6HQ for Argo Feeds Limited.

The three bay building to be in matching construction and materials to existing buildings. Roof and flank walls to be plastic covered steel box profile sheeting of dark brown colour. Each bay is to have a roller shutter door to provide secure storage. The building is to provide additional under cover storage for existing materials and products currently stored unsecured. No increase in delivery traffic is involved.

Access

The access is via the existing vehicular entrance in Sheffield Road, Penistone.
