

Design and Access Statement for Proposed Terracing to Cricket Pavilion, Shaw Lane, Barnsley

Surroundings

The new cricket pavilion is situated adjacent to the cricket ground at Shaw Lane, Barnsley. The Terracing adjacent to the pavilion is old stepped terrace cut into banking with timber plank seating.

Design and Appearance

It is proposed to form a two levelled terrace area for both spectators and players, with a concrete finish and wrought iron fencing surrounding the area to give an enclosed secure surround.

The brick retaining walls will be brick to match the pavilion.
