Details of the pre-application advice received

.....As I am aware of how important your proposed development is to your family, I would recommend either yourself or your agent submit a full planning application as soon as possible. Whilst the department does not offer any express service, and I cannot guarantee that planning consent would be granted. With the information yourself and your agent have already supplied, in combination with the research the department has undertaken, It would greatly assist in the application being processed as quickly as possible, subject to the statutory consultation requirements which we are required to adhere too.....

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
