Good Afternoon Gavin

Apologies for the late response to your enquiry

Facilities such as a Scout Hut do not benefit from permitted development rights and so planning permission will be required for the proposed new garage.

Looking at the information provided, the garage is considered acceptable in principle. However the proposal will be assessed for its impact on neighbouring properties before a final decision is made. I would also advise that a statement is provided which clarifies what the garage will be used for (i.e. is just for vehicles or will it be for general storage or other activities).

Attached is the relevant application form and guidance on what information needs to be submitted with the application. The fee for the application is £234. The planning fee can be paid online at <https://www.applications.barnsley.gov.uk/payments>. Please select 'Planning Fees' from the drop-down menu and then enter the site address and amount to be paid before clicking 'Pay with Card'. Please retain the payment reference you should receive at the end of the process as this will make it easier for us to track payments.

Kind Regards

Rob Tollyfield
