Description

Please describe details of the proposed development or works including any change of use

The Butchers Arms is currently a registered Licensed Premise in Thurnscoe. The upstairs room has been unused for the last 14 years. In the 90s it was used for a communal gym, for small exercise classes. Our intention is to regenerate the gym and turn this space back into a communal well-being and exercise room with changing space. Grassroots Sports Academy have funding available to offer strengthening and conditioning classes, boxercise and mental-health workshops. Groups sizes will be kept below 15 and there is no intentions to have it used as a weighted gym. Exercises classes will include Yoga, Thai Chi, Taekwondo, Boxercise, Muscle strengthening and Chair Aerobics. We would like to replace the current windows; but no structural changes to the building itself are planned - only remedial work like plastering and decorating to the already existing room.
