

Plan: Boundary Lines of 3 Tinglebridge (6 Ash Trees - 5 along Northern border / boundary)  
 - 1 along Western border / boundary

Trees 1, 2, 4 and 6 have TPO's.

Trees 2, and 4 diseased, Trees 1 and 6 (Crowning / lifting required due to overhanging)

Googleearth picture showing amount of trees in vicinity and location of TPO trees on property. Also shown is extent of shading overhang. For example, pond is not even visible under T6.
