Address	2A Athena Way, Hoyland Common, Barnsley, S74 0FQ
Date of Consultation Reply	24/08/26
Consultee	Highways Development Control

Consultation Assessment and Justification

Thank you for consulting Highways Development Control on this application for the installation of non-illuminated signage.

The proposed signage comprises a large logo fascia sign and a totem directional sign, which are to be contained within the grounds of the existing Evri distribution centre and is not considered likely to result in any adverse impact on the public highway or highway safety.

As such, it is not wished to raise any objections to the proposal from a highways point of view.
