'Morning James/HDC Planners

I've been out this morning and double checked the attached post works condition survey.

The items on the new access are discounted as any issues will be picked up on pre-adoption remedials.

The several items on the junction identified are also discounted, these were existing and I cannot proportion any deterioration due to the development site traffic.

Therefore I'm happy for this element of the condition survey planning condition to be discharged.

Kind regards

Phil'
