

## **REFUSAL OF PLANNING PERMISSION**

TOWN AND COUNTRY PLANNING ACT 1990

**APPLICATION NO. 2024/0041**

**To** White Agus Ltd  
Office One  
Drill Hall  
11 Eastgate  
Barnsley  
S70 2EU

**Proposal** Two and a half storey side extension, loft conversion with flat roof box dormer extension on rear roof plane and new roof lights to front, single storey and one and a half storey front extensions and conversion of 3 out of 4 bays of existing detached garage into a linked annex. (Resubmission) (Different proposal compared with application 2023/0214).

**At** 88 Intake Lane, Pogmoor, Barnsley, S75 2HY

Permission is **refused** for the proposals which were the subject of the Application and Plans registered by the Council on 05/02/2024 and described above.

The reason for the Council's decision to refuse planning permission is:

**In the opinion of the Local Planning Authority, the proposal would be contrary to Local Plan Policy D1: High Quality Design and Place Making and the Council's adopted Supplementary Planning Document: House Extensions and Other Domestic Alterations in that the proposed link would not comply with the Council's relevant adopted design criteria. Consequently, the proposal would appear intrusive and overly dominant and is likely to detract from the character of the original dwelling.**

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, and otherwise actively engaged with the applicant in dealing with the application in a positive and proactive manner.

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.

As this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice [reference], if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.\*

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within:

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate> If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate ([inquiryappeals@planninginspectorate.gov.uk](mailto:inquiryappeals@planninginspectorate.gov.uk)) at least 10 days before submitting the appeal. Further details are on GOV.UK.

## **Purchase Notices**

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

## **Compensation**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
