Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- Yes
 No

Does the proposal consist of, or include, a change of use of the land or building(s)?

- Yes
 No

If Yes, please give a full description of the scale and nature of the proposed use, including the processes to be carried out, any machinery to be installed and the hours the proposed use will be carried out

The garage is to become a living space for my father as I have become his main carer. Nothing has been built external to the property, it is just the garage door that will be changed to french doors. The outside storage area will be knocked into the adjoining downstairs toilet to make an accessible shower room.

If Yes, please fully describe the existing or the last known use, with the date when this use ceased

Work to convert the garage began last week. I have asked the authority twice for advice on how to access this document and have never been advised. I also paid for a consultation prior to any work commencing to confirm that I did not need planning permission for this.

Has the proposal been started?

- Yes
 No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

I paid £72 for a consultation.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- Permanent
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I was advised I needed to get one during the consultation if I ever wanted to sell my house in future. I can apparently get one after the work has been completed but for twice the price.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent
 The applicant
 Other person

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Interest in the Land

Please state the applicant's interest in the land

- Owner
- Lessee
- Occupier
