Dear Sir/Madam

APPLICATION NO: 2012/0714
DESCRIPTION: Erection of an Endurance E-3120 24.5m 50kw wind turbine. (Adjoining Authority Consultation)
LOCATION: Dick Edge Farm, Dick Edge Lane, Hepworth, Huddersfield,HD8 8YE

Objection

1 The proposed turbine is in an elevated and conspicuous position overlooking a sensitive and delicate landscape within Barnsley Borough. The proposal is in conflict with policy CSP6 and CSP37 of the Barnsley Core Strategy in so far as it would be poorly sited and would compromise a prominent skyline feature which would significantly adversely affect the character and appearance of the locality.

Yours faithfully

Stephen Moralee
