Please state the condition number(s) to which this application relates

Condition number(s)

Condition 8:

No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to, and approved in writing by, the Local Planning Authority. The approved statement shall be adhered to throughout the construction period.

The statement shall provide for:

- i. The parking of vehicles of site operatives and visitors
- ii. Means of access for construction traffic
- iii. Loading and unloading of plant and materials
- iv. Storage of plant and materials used in constructing the development
- v. Measures to prevent mud/debris being deposited on the public highway.

Condition 13:

No development shall take place until a survey of the condition of the adopted highway condition to be used by construction traffic has been submitted to and approved in writing by the LPA. The extent of the area to be surveyed must be agreed by the LHA prior to the survey being undertaken. The survey must consist of:

- i. A plan to a scale of 1:1250 showing the location of all defects identified
- ii. A written and photographic record of all defects with the corresponding location references accompanied by a description of the extent of the assessed area and a record of the date, time and weather conditions at the time of survey.

On completion of the development, a second condition survey of the adopted highway shall be carried out to identify defects attributable to the traffic associated with the development. It shall be submitted for the written approval of the Local Planning Authority. Any necessary remedial works shall be completed at the developer's expense in accordance with a scheme to be agreed in writing by the Local Planning Authority.

Condition 15:

No development shall take place (including vegetation/site clearance) until a Precautionary Working Method Statement (PWMS) for badger, hedgehog, amphibians and birds has been submitted to and approved in writing by the Local Planning Authority. The PWMS will be completed by a suitably qualified ecologist and the approved PWMS shall be implemented in full according to the specified timescales, unless otherwise agreed in writing by the Local Planning Authority.
