Town and Country Planning General Permitted Development Order 2015 (as amended)

APPLICATION NO. 2025/1053

To ELG Planning
Gateway House
55 Coniscliffe Road
Darlington
DL3 7EH

Barnsley Metropolitan Borough Council hereby certify that the development described in the First Schedule hereto, in respect of the land specified in the Second Schedule hereto and edged red on the plan submitted as part of this application, would be lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 (as amended), for the following reasons;

- In accordance with The Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), from the information provided, the development falls within Schedule 2, Part 4 (Temporary Buildings and Uses), Class A (Temporary Buildings and Structures)

First Schedule:

Certificate of Lawful Development, Proposed use of land as a construction compound in relation to the adjacent Energy Storage Facility development (application reference 2023/0322), including siting of Portacabins (welfare, office and canteen, staff vehicle parking areas and storage of plant and equipment, erection of security fencing)

Second Schedule:

Land off Tofts Lane, Snowden Hill, Sheffield, S36 8YR

The approval is subject on compliance with the following:

- 1 The development hereby approved shall be carried out strictly in accordance with the plans (Nos: PA_23_LPb Rev IR1 and Planning Statement) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality and in accordance with Local Plan Policy D1 High Quality Design and Place Making.

Dated: 02 February 2026

Head of Planning, Policy & Building Control
Growth & Sustainability Directorate

Notes:

1. This certificate is issued solely for the purpose of section 192 of the Town and Country Planning Act 1990 (as amended)
2. It certifies that the use specified in the First Schedule taking place on the land described in the Second Schedule [would have been lawful on the specified date and thus, would not have been liable to enforcement action under section 172 of the 1990 Act on that date.
3. This certificate applies only to the extent of the use described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
4. The effect of the certificate is also qualified by the proviso in section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.
