Thanks Andrew. Those changes help as before the problems may have still arose if the future owners were to fall out resulting in cars reversing out into the A61.

I have no further comments to add at this stage, although you'll be aware that the Council shall have to afford consideration to any representations that are received during the formal application process before arriving at our decision.

Kind Regards,

Andrew

we have a compromise

See attached 04D.

The plots have been moved away from the garage .. 7.3m increased to 8.5m

I include a 900mm party wall/fence to divide the parking spaces and an additional parking space to the front of Plot 7.

will this now suffice ..
