PEOPLE OF BARNESLEY MATTER

Dear Sir / Madam

We have not got the infrastructure
for 1,760 dwellings

3,400 cars onto roads that are congested
(made the round about Bigger + slip road
this is not enough will make little change

5,000 persons into
Hospital is over capacity
Doctors can't get appointment
long waiting list at hospital

I don't think there's much thought
gone into for the people of BARNESLEY
struggles in all areas

Why don't put a Doctor Centre
instead of some dwelling
Make the road come out at Garsden
make the road instead of hermit lane

Make it Better for people of BARNESLEY
Not just making money
