Date (Must be pre-application submission)

19/03/2019

Details of the pre-application advice received

The council provided pre-application advice where two matters were raised: potential impact on a protected trees and impact on the setting of a nearby listed building.

In response to comments received, the design has been revised from that presented at the pre-application stage. The proposed replacement mast has been relocated farther away from the trees so that no trees will now be felled or loped. The supporting statement provides information of protected trees and heritage matters.
