Description of the Proposal
Please indicate all those matters for which approval is sought as part of this outline application (tick all that apply)
✓ Access
☐ Appearance ☐ Landscaping
□ Layout
□ Scale
Note: if this application is approved, the matters not determined as part of this application will need to be the subject of an "Application for approval of reserved matters" before the development may proceed.
Please note in regard to:
 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. <u>View government planning guidance on fire statements</u> or access the fire statement template and guidance. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for
faster determination timeframes. See help for further details or <u>view government planning guidance on determination periods</u> .
Description Places describe the proposed development
Please describe the proposed development
New site access and 4 bedroom detached dwelling with associated hard and soft landscaping
Has the work already been started without planning permission?
○ Yes
⊗ No
Site Area
What is the measurement of the site area? (numeric characters only).
800.00

Unit
Sq. metres
Existing Use
Please describe the current use of the site
Garden to the rear of 2a Darton Lane
Is the site currently vacant?
○ Yes⊙ No
Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.
Land which is known to be contaminated
○ Yes② No
Land where contamination is suspected for all or part of the site ○ Yes ⊙ No
A proposed use that would be particularly vulnerable to the presence of contamination Yes No
Pedestrian and Vehicle Access, Roads and Rights of Way
Is a new or altered vehicular access proposed to or from the public highway?
Is a new or altered vehicular access proposed to or from the public highway? Solution Yes
Is a new or altered vehicular access proposed to or from the public highway? Yes No
Is a new or altered vehicular access proposed to or from the public highway? Yes No Is a new or altered pedestrian access proposed to or from the public highway? Yes
Is a new or altered vehicular access proposed to or from the public highway? Yes No Is a new or altered pedestrian access proposed to or from the public highway? Yes No Are there any new public roads to be provided within the site? Yes No Are there any new public rights of way to be provided within or adjacent to the site? Yes
Is a new or altered vehicular access proposed to or from the public highway? ⊘ Yes ○ No Is a new or altered pedestrian access proposed to or from the public highway? ○ Yes ⊙ No Are there any new public roads to be provided within the site? ○ Yes ⊙ No Are there any new public rights of way to be provided within or adjacent to the site?
Is a new or altered vehicular access proposed to or from the public highway? Yes No Is a new or altered pedestrian access proposed to or from the public highway? Yes No Are there any new public roads to be provided within the site? Yes No Are there any new public rights of way to be provided within or adjacent to the site? Yes No Do the proposals require any diversions/extinguishments and/or creation of rights of way? Yes

Vehicle Parking
Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces?
Please provide information on the existing and proposed number of on-site parking spaces
Vehicle Type:
Cars Existing number of spaces:
0
Total proposed (including spaces retained): 3
Difference in spaces:
3
Vehicle Type:
Cycle spaces
Existing number of spaces: 0

3 Difference in spaces:
3
Materials
Does the proposed development require any materials to be used externally?
⊙ Yes
○ No

lease provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each naterial)
Type: Walls
Existing materials and finishes: N/A
Proposed materials and finishes: Red brickwork
Type: Roof
Existing materials and finishes: N/A
Proposed materials and finishes: Blue slates
Type: Windows
Existing materials and finishes: N/A
Proposed materials and finishes: UPVc.
Type: Doors
Existing materials and finishes: N/A
Proposed materials and finishes: UPVc.
re you supplying additional information on submitted plans, drawings or a design and access statement?
O Yes O No
Yes, please state references for the plans, drawings and/or design and access statement
Refer to the submitted Design and Access Statement
Foul Sewage
lease state how foul sewage is to be disposed of: Mains sewer
Septic tank Package treatment plant
Cess pit
Other Unknown

Are you proposing to connect to the existing drainage system?
○ Yes ○ No
✓ Unknown
Assessment of Flood Risk
Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.) Yes No
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? ○ Yes ○ No
Will the proposal increase the flood risk elsewhere?
○ Yes ⊙ No
How will surface water be disposed of?
☐ Sustainable drainage system
☐ Existing water course
☑ Soakaway
☐ Main sewer
☐ Pond/lake
Trees and Hedges
Trees and Hedges Are there trees or hedges on the proposed development site?
Trees and Hedges Are there trees or hedges on the proposed development site?
Are there trees or hedges on the proposed development site? ⊗ Yes
Are there trees or hedges on the proposed development site? Yes No And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?
Are there trees or hedges on the proposed development site? Yes No And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? Yes
Are there trees or hedges on the proposed development site? Yes No And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? Yes No If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

Has assistance or prior advice been sought from the local authority about this application? ○ Yes ○ No
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply? ○ Yes ⊙ No
Ownership Cartificates and Agricultural Land Declaration
Ownership Certificates and Agricultural Land Declaration Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)
Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.
Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?
✓ Yes○ No
Is any of the land to which the application relates part of an Agricultural Holding? ○ Yes ○ No

Certificate Of Ownership - Certificate A I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding** * "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act. NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding. Person Role O The Agent Title Mr First Name Philip Surname Joyce **Declaration Date** 01/01/2025 ✓ Declaration made **Declaration** I/We hereby apply for Outline planning permission: Some matters reserved as described in the questions answered, details provided, and the accompanying plans/drawings and additional information.
