

Proposed External Materials for 2025/0776

Anchor Farm (Barn)

Roof Covering

Dark grey insulated aluminium-composite roofing sheets to match the roofs of other barn conversions at the adjacent site, to keep a uniform colour/pattern.

Adjacent properties Barn Conversion Roofs with Same Material

Walls

Coursed stone to match existing building fabric

Windows

Aluminium Papyrus Grey to match main house

Main house external windows and colour example.

External Doors

Aluminium Papyrus Grey to match main house

Main house external door and colour example.

Rainwater Goods

Aluminium Seamless in place already on the existing building
