Description of Proposed Works

Please describe the proposed works

In 2019 my husband laid a concrete base in preparation for extending our outbuilding. In March 2020 we extended our existing stone outbuilding which was originally built in the 1980's. We have kept the original stonework and have used timber for the extension with a felt roof. After seeking advice from Rachael Roddis (planning officer) she has confirmed the dimensions of the extension to the outbuilding falls within permitted development. Therefore, I would like to submit a retrospective planning application.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
