

## REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2019/1322

**To** Mr James O'Callaghan  
31 Croft Close  
Mapplewell  
Barnsley  
S75 6FN

**Proposal** Single storey rear extension with a flat roof (Part Retrospective)

**At** 31 Croft Close, Mapplewell, Barnsley, S75 6FN

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 13 November 2019 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

*Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.*

1	In the opinion of the Local Planning Authority the rear extension is contrary to Policy D1: High Quality Design and Place Making of the local plan which states that 'development is expected to be of high quality design' and paragraph 130 of the NPPF which states that 'permission should be refused for development of poor design that fails to take the opportunities available for improving the character and quality of an area', in that its flat roof design is architecturally inconsistent with the existing building and utilises inappropriate external materials in a prominent location which do not match the existing dwelling. As a consequence, the extension appears out of character to the host dwelling and the surrounding properties to the detriment of visual amenity.
2	In the opinion of the Local Planning Authority, the proposed extension by virtue of its excessive eaves height and close proximity to the rear-facing habitable room windows of no. 29 Croft Close, would be materially detrimental to the amenities of the occupants of this adjoining dwelling by reason of its overbearing impact. This is contrary to Local Plan Policy GD1: General Development and the Council's Supplementary Planning Document (SPD) for House Extensions and Other Domestic Alterations.

Joe Jenkinson   
Head of Planning and Building Control

## **NOTES:-**

### **Appeals to the Secretary of State**

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

As this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate> If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate ([inquiryappeals@planninginspectorate.gov.uk](mailto:inquiryappeals@planninginspectorate.gov.uk)) at least 10 days before submitting the appeal. Further details are on GOV.UK.

### **Purchase Notices**

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

### **Compensation**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
