

PROPOSED BARN CONVERSIONS BURNTWOOD HALL

FARM BRIGLEY ST2-9HB

MR BILL ADDEY

"TREES"

TO BE ATTACHED AND READ WITH PLANS.

THE PROPOSAL: \* to convert two number farm buildings into two dwellings

\* the ground floor footprint remains in place, no increase is proposed.

\* a small portion of the upper floor will increase in area requiring no building works at ground floor level.

CONCLUSION: a) no foundation or ground excavation works are required

b) no building works are proposed close to existing trees.

c) storage of building materials will be within an existing out building.

d) the mixing of any wet materials will take place on the existing hard surfaced yard + will be cleaned each day.

\* therefore there will be no affects on any trees within the site or within the adjacent property.

\* please feel free to site visit to view.
