

**TRUE NORTH BREW CO
THE CROWN AND ANCHOR, BARUGH LANE, BARUGH GREEN, BARNSELY S75 1LL**

LANDSCAPE ACCESSMENT

VIEW OF THE SITE FROM THE ROAD

The proposed extension is obscured by the existing landscaping from the road and is behind the main building

View from Barnsley Road shows the extension would not be visible from across the Green Belt due to the existing tree belt.

LANDSCAPING AROUND THE SITE

The site is surrounded by a tree boundary, grassed garden areas and a car park. None of the landscaping would be affected by the works and only part of the garden grassed area would be taken by the proposed extension.

Area of site where extension sits (play equipment is no longer on site)

General photos showing the landscaping that is unaffected by the proposals.
