Dear Sir / Madam, 25/10/2021.
I object most strongly to the total
destruction of the Green Belt Area
known as M11, farming & agricultural
land between Higham, Borough Green,
Redbrook, Sawber & Pagmers.

For over a year now, I have
had 7 pheasants come into our
back garden to feed almost every
day, plus 2 small wild rabbits,
occasionally, a lovely Red Fox, plus
Hedgehogs, & a wide variety of wild
birds also, from the farm land
behind us.

If the proposed building of 1,700
houses, a school, small shops &
community facilities, a New link
Road, etc, goes ahead, I am sure
we can say "Good bye" to the amazing
wild life we see in our garden each day.

Parnoley Council say they are about
"Saving the Environment, Air Quality,
Improving life for all the residents
bordering site M11," but this Plan
completely negates that statement, &
I for one am bitterly disappointed.
Yours faithfully

Mr Arthur [redacted]
