10. Pre-application Advice

I enquired regarding the size of the porch as it was only 1.5 square metres bigger than permitted development. Building control sent the following email text as reply:

"Dear Sir
Thank you for your Email query, unfortunately if the floor area of the porch is over the 3 square metre specified it would require a planning application. If you are planning on making an opening between the porch and the existing property it would also require a building control application.
Thank you
Regards
Planning and Building Control
Barnsley Metropolitan Borough Council"

No new opening in the existing wall is planned for these works.

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
