Please proceed with this conservatory quote as an order

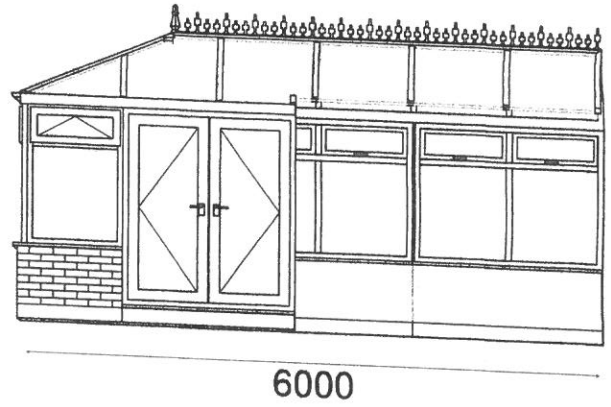

Sign_____ Print_____ Date_____

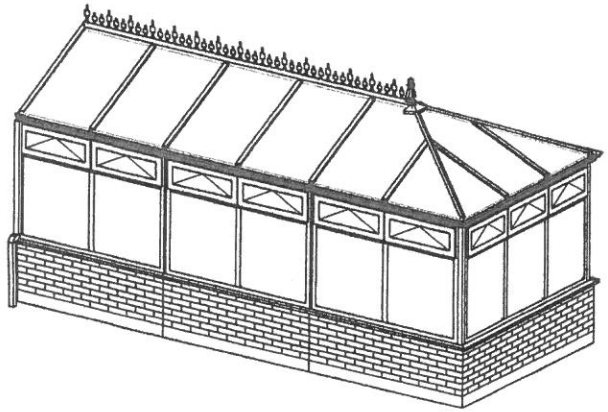

Quote is valid for 1 month only and is subject to VAT at the current rate. (excludes site delivery)

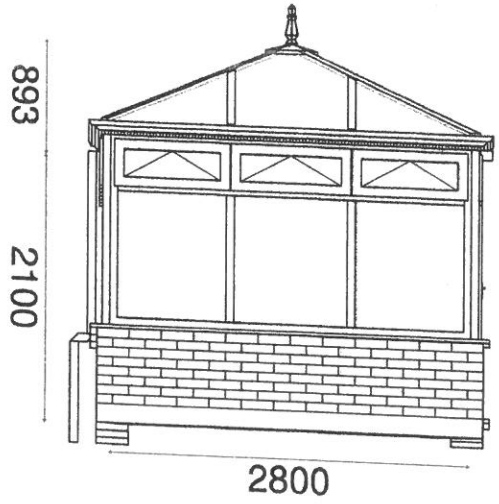

If no post code is supplied, the specification of this conservatory will be based on a 0.6kN/m² snow load and a basic wind speed.
All dimensions are internal frame sizes and in millimetres. Height is to the external ridge top cap (excluding cresting).
Quote is based on the conservatory being square. This document details our interpretation of your requirements.
