To whom it may concern

Re: Mr A & Mrs F Connell

I can confirm that North Lincolnshire Trading Standards has worked with Mr & Mrs Connell in relation to their car boot sale operation at Glanford Park Football Ground in Scunthorpe since 2002.

Mr & Mrs Connell have been very supportive in helping us combat sales of counterfeit items and they are actively involved in supporting our 'Fake Free Zone' initiative on their site.

They have always dealt with any of our concerns promptly and efficiently and have always followed our advice on any Trading Standards related issues.

Based on our experience, I believe that Mr & Mrs Connell are suitable to operate a car boot sale.

Yours faithfully

To Whom it may concern

I am the Stadium Manager/Safety Officer at Scunthorpe United, Glanford Park, Scunthorpe, we currently have a Sunday Market on our grounds which is run by Alan and Fran Connell.

The premises are always full and on the visits I have made as Safety Officer have revealed good quality stewarding of the entrance and all aspects of Safety being taken into consideration.

We have given them the keys to the ground to ensure that toilet facilties are used correctly and no damage is caused. They also have stewards ensuring that the public going in do come out and nobody is left in the ground.

I would recommend both of them to anyone who was looking to run a market as they both have the experience and expertise to ensure a smoothly run operation.

Yours sincerely

Alan Welsh
