

Heritage Impact Assessment

Application No 2020/0374

Upper House, North Lane,

Cawthorne

Barnsley

S75 4AF

Preplacement of two single glazed windows with double glazed units

The proposed windows can be seen from the roadway adjacent to the house, but the nearest property that can view the windows directly is over one mile away. Externally, the proposed windows will have an identical appearance to the existing windows so it is concluded that there is no adverse heritage impact – setting is Green.
