Dear Sir,

Holding Number 47/619/0175

The applicant currently owns 4.03ha and a new barn is required as the land will be used for hay production and storage for the produce grown on site. He also has a small number of sheep which will be increased in future.

I have indicated the position of the site with reference to the parcel boundaries involved.

The building is commensurate with the land it will service in agriculture.

Yours faithfully,
