GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2017/0587

To Jamie Hanson
The Wickets
Lowe Lane
Stainborough
Barnsley
S75 3EP

DESCRIPTION Erection of split level part 2 storey/part 3 storey detached dwelling with partially exposed basement floor and associated areas of hard and soft landscaping including retaining walls

LOCATION 86A Burton Road, Monk Bretton, Barnsley, S71 2AA

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 22 June 2017 and described above.

THIS DECISION IS SUBJECT TO THE TERMS OF THE AGREEMENT/UNILATERAL UNDERTAKING MADE UNDER SECTION 106 OF THE TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED).

The approval is subject on compliance with the following conditions:

1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.

2 The development hereby approved shall be carried out strictly in accordance with the amended plans and specifications as approved unless required by any other conditions in this permission.
Plan reference:
1100-100 Rev C - Site location & proposed site plan received 3rd March 2018
1100-101 - Proposed floor plans
1100-102 Rev A - Proposed elevations received 24th September 2017
Ecology Report dated August 2017 produced by Natasha Estrada for Estrada Ecology Ltd
Coal Mining Risk Assessment produced by Silkstone Environmental Ltd ref 17121/CMRA/0 dated 1st June 2017
Arboricultural Report produced by JCA Ltd ref 13548/ChC dated 19th May 2017
Tree Retention Plan JCA ref: 13548/ChC
Reason: In the interests of the visual amenities of the locality accordance with Core Strategy Policy CSP 29, Design.

3 Prior to the commencement of development a site investigation must be undertaken to fully investigate potential mining legacy risks. The investigation should be carried out in compliance with CIRIA publication 32 'Construction Over Abandoned Mine Workings'. A report detailing the findings of the investigation and any recommended mitigation shall be submitted for approval in writing by the Local Planning Authority. Thereafter, the development shall carried out in accordance with the approved details, including any necessary remediation measures.
Reason: In the interest of Land stability NPPF sections 120 & 121.

4 No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to and approved in writing by the Local Planning Authority. The approved statement shall be adhered to throughout the construction period. The statement shall provide for
- The parking of vehicles of site operative and visitors
- Means of access for construction traffic
- Loading and unloading of plant and materials
- Storage of plant and materials used in constructing the development.
- Measures to prevent mud/debris from being deposited on the public highway.
Reason: In the interests of road safety in accordance with CSP26.

5 No development or other operations being undertaken on site shall take place until the following documents in accordance with British Standard 5837:2012 Trees in relation to design, demolition and construction - Recommendations have been submitted to and approved in writing by the Local Planning Authority:
- Tree protective barrier details
- Tree protection plan
- Arboricultural method statement

The scheme shall then proceed in accordance with the approved details.
Reason: To ensure the continued wellbeing of the trees in the interests of the amenity of the locality in accordance with Core Strategy Policy CSP 36 Biodiversity and Geodiversity

6 Upon commencement of development details of the proposed external materials shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 29, Design.

7 Upon commencement of development, full details of both hard and soft landscaping works, including details of the species, positions and planted heights of proposed trees and shrubs; together with details of the position and condition of any existing trees and hedgerows to be retained shall be submitted to and approved in writing by the Local Planning Authority. The approved hard landscaping details shall be implemented prior to the occupation of the building(s).
Reason: In the interests of the visual amenities of the locality.

8 No hedges or trees on the site (except those shown to be removed on the approved plan), or their branches or roots, shall be lopped, topped, felled, or severed without the written approval of the Local Planning Authority. If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such a size and species, and shall be planted at such time, as may be specified in writing by the Local Planning Authority.
Reason: To safeguard existing trees/hedges, in the interests of the visual amenities of the locality.

9 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

10 The parking/manoeuvring facilities indicated on the submitted plan shall be surfaced in a solid bound material (i.e. not loose chippings) and made available for the manoeuvring and parking of motor vehicles prior to the development being brought into use, and shall be retained for that sole purpose at all times.
Reason: to ensure that satisfactory off-street parking/manoeuvring are provided in the interest of highway safety and the free and safe flow of traffic and in accordance with Core Strategy Policy CSP26 - New Development and Highway Improvement.

11 Pedestrian intervisibility splays having the dimensions 2m x 2m shall be safeguarded at the drive entrance/exit such that there is no obstruction to visibility at a height exceeding 1m above the nearside channel level of the adjacent highway.
Reason: in the interests of road safety in accordance with CSP26.

12 All surface water run-off shall be collected and disposed of within the site and shall not be allowed to discharge onto the public highway.
Reason: In the interests of road safety in accordance with CSP26.

13 Vehicular and pedestrian gradients within the site shall not exceed 1:12 to ensure safe and adequate access.
Reason: In the interests of road safety in accordance with CSP26.

14 All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which die within a period of 5 years from the completion of the development, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with other of similar size and species.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 36, Biodiversity and Geodiversity.

15 The secondary southern side window to bedroom 3 shall be obscure glazed and shall be retained as such therafter.
Reason: In the interests of visual amenity in accordance with CSP29.

Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

Please be aware that the Council monitors construction sites and open land within the vicinity such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- *a fine of up to £50,000 and*
- *up to six months imprisonment on conviction*

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of the approved development is disposed of via approved methods and that documents are retained to prove this.

1	The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner. If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.
2	The granting of planning permission does not effect the status of species such as owls and bats which have protection under other legislation. These may be present, and it is the applicant's responsibility to seek advice on how to avoid damaging operations. Further advice can be obtained from the Countryside Unit in the Planning & Transportation Services, on 01226-772576, or directly from www.naturalengland.org.uk

Signed  Dated 12 April 2018
Joe Jenkinson

Head of Planning and Building Control

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
